

THE PERIOD IRONMONGER

Trade Terms

Our trade accounts are available to architects, design companies & consultants, builders & contractors, joiners, and window & kitchen manufacturers and suppliers.

Whilst we specialise in working on period property restoration and renovation, we also work on many projects for more contemporary design schemes and new builds. We currently work with most of the UK's manufacturers and suppliers of quality architectural ironmongery and can also arrange bespoke finishing and custom made products.

Currently these include:

- Artisan Handmade Glass
- Atlantic
- Brassart
- Cardea
- Croft
- Frank Allart
- From the Anvil
- Guardian Imperial Locks
- Heritage Brass
- ISEO Locks
- Kirkpatrick
- Olivari
- Oliver Knights
- Simonswerk Hinges
- The Richmond Collection
- Wrenbury Hardware

Generally our **standard Trade Discount is 25%** off the Manufacturers List Price, although there are a few exceptions to this, please contact us for information. Discounts are subject to change please refer to your Quote / Pro-forma for current pricing.

All Trade accounts will receive our newsletters and products updates, usually no more than 2 per month.

We provide costed schedules for ironmongery specifications and orders can be shipped to your company or to site. Third party shipments to manufacturers can also be arranged.

Payment is on pro-forma at the time of the order and can be made by Bank Transfer, Credit or Debit Card or PayPal - whichever is most convenient.

Errors, shorts & faults must be reported within 5 days.

Unused goods may sometimes be returned or exchanged by agreement, subject to a re-stocking fee, **except** for made to order goods, bespoke finishing and custom made items which are non-returnable.

If you have any questions about our trade accounts or want to talk to us about a project, please call Rich or Jayne on 01630 64 77 48.
